The central and the most basic tenet of faith is that God loves us. **He loved us first!** 

This leaf grows by doing nothing more than absorbing the sun.

It just absorbs the sun.

Like the leaf, spend 20 minutes each morning doing nothing but accepting and absorbing God's infinite love. Put all problems aside. Let them all go.

**No words, just absorb His Love.** Allow Him to love you. It will affect the day. It will change the world.

God's love is infinite — the absolute foundation of faith.

Accepting His love opens a path through life that has reason and God's hand is there in the World.

**During the day** — practice the presence of God.

Life can be a wonderful active romance. Returning God's love naturally follows the daily acceptance of His love.

The central and the most basic tenet of faith is that God loves us.

He loved us first!
